WHO? The College of Forestry provides professional academic advisors who are experts on your curriculum, College and University policies, and student development. Our primary purpose is to assist students in making the most of this educational opportunity.

Your COF advisor will stay with you from START to graduation.

Your Advisor's name will appear at the top of your MyDegrees page.

WHEN? COF students are required to meet with their academic advisor **at least once per quarter**, and are welcome to meet more often. It's always okay to call, email, or drop in with questions.

WHERE?
116 Peavy Forest Science Center

WHAT? Your advising appointments are 30 minutes of one-on-one time with your academic advisor. During your appointment, you will review your progress to date, make course plans for the upcoming term, discuss opportunities and resources pertinent to your goals, and track your progress toward graduation.

While your advisor is here to assist and guide you, your educational choices are yours to make. We advise and you decide.

HOW? The easiest way to schedule your advising appointment is in your Beaver Hub Success Team.

If you get stuck, you can always call or drop in!
